Choice

Chamber *Choice*

The Greater Oklahoma City Chamber and Blue Cross and Blue Shield of Oklahoma are working together to make it easy for businesses to provide affordable group health coverage to employees. With Chamber Choice, businesses and their employees can choose the right health care plan, priced within their budget, with the physicians and health care providers they trust.

Chamber Choice features

- **No medical underwriting:** Coverage is guaranteed for Chamber members that meet contribution and participation requirements.
- **BlueOptions® PPO:** More in-network choices than any other Oklahoma PPO plan, with five deductible options.
- **New! BlueOptimizeSM PPO:** This new set of flexible choices includes three deductible options.
- **BlueLincs® HMO:** Coverage available with or without an annual deductible. *Not available in some areas.*
- **Prescription drug coverage:**
PPO — 50 percent coinsurance applies at network pharmacies up to a \$10,000 stop loss. Blue Cross and Blue Shield of Oklahoma then pays 100 percent of allowable prescription drug charges.
HMO — \$300 deductible applies, then drug card may be used at network pharmacies, with copayments.
- **Network availability in all 50 states.**
- **Office visit copayments:** \$20 or \$30 copayments, depending on the plan you choose.

Most BlueOptions PPO and BlueLincs HMO plans are qualified [Insure Oklahoma](#) health plans. Insure Oklahoma helps small businesses save 60 percent on health care coverage costs for eligible employees. The program is funded by the Oklahoma tobacco tax and federal funds. For more information on employer and employee eligibility, visit www.bcbsok.com/insureoklahoma.html.
