The investment amount is due with the application and subsequent annual investments will be payable on this anniversary. I understand the annual investment shown above includes the cost of an annual subscription (\$15.00) to The POINT. Investment in the Greater Oklahoma City Chamber may be tax deductible, up to 91 percent, as an ordinary and necessary business expense, but not as a charitable deduction. The Chamber allocates approximately 9 percent of total member dues to lobbying activities, which the IRS has stated are not deductible as ordinary and necessary business expenses.
