

Chamber Forums 2018-2019

DESCRIPTION Oklahoma City is a city on the rise, and Chamber Forums highlight the city's major successes, challenges and ways that the business community can stay involved. Chamber Forums are held on the third Wednesday of each month in 2018.

Each month, the Chamber Forum brings thought leaders together to discuss major initiatives, programs and current issues that impact Oklahoma City's business climate, economy and community. Show business leaders that you support our "city on the rise" by sponsoring Chamber Forums. Current issues and initiatives will be showcased by impressive panelists at these events. Your company will be exposed to top companies in the Oklahoma City area.

WHO ATTENDS Many attendees are civic leaders, interested in current affairs. Elected officials frequently attend.

DATE Chamber Forums are held the third Wednesday of every month (except November and December)

BENEFITS OF SPONSORING Sponsoring Chamber Forums will provide your company with up-to-date information on current issues and initiatives and give your business exposure to high-profile companies and individuals in Greater Oklahoma City. Topics are driven by newsworthy issues and often are covered on the front pages of local papers the next day.
