

Government Relations Program 2019

Play a key role in helping the Chamber to further strengthen its advocacy efforts

DESCRIPTION

Government Relations Benefactors and Sponsors play a key role in helping the Chamber to further strengthen relationships between local elected officials and the business community. Additionally, they support the Chamber's ongoing advocacy efforts which include passing pro-business legislation, impacting public policy and building partnerships that will enhance the business climate of our state, region and city. Sponsors and Benefactors are recognized throughout the year at events and in publications.

BENEFITS OF SPONSORING

As a Government Relations Sponsor, you are making a statement about the importance and impact of legislative issues to your company and the entire business community. Sponsors receive prominent recognition at all of the Chamber's Government Relations events and functions.

SPONSORSHIP OPPORTUNITIES

Benefactor: \$10,000 (5 available)

Sponsor: \$7,500 (5 available)
