

# InterCity Visit 2018

Reach leaders on this benchmarking trip that evaluates Oklahoma City's progress against competitive markets

## DESCRIPTION

The Greater Oklahoma City Chamber conducts this benchmarking trip to evaluate Oklahoma City's progress against competitive markets and identify programs and developments moving them forward. In 2018, leaders will participate in a leadership exchange trip to Sacramento, CA.

By giving business and community leaders the opportunity to see, firsthand, a region's assets and opportunities, we expect lessons learned to be the impetus for region transforming strategic initiatives that will provide forward momentum to our economic future.
