

# Member Orientation 2019

**DESCRIPTION** Over the course of the year, both new and more experienced Chamber members benefit from Member Orientation. During these monthly meetings, Chamber President and CEO Roy Williams and his senior staff provide important information about the Chamber's history, programs and key initiatives. Get to know other members while learning how to maximize your membership.

**WHO ATTENDS** Approximately 40 new members or representatives from existing companies attend the event looking for ways to get more involved in the community, to promote their businesses and to meet new people.

**DATE** Held throughout the year (Jan. to Nov. 2019)

**BENEFITS OF SPONSORING** The Member Orientation offers a unique way to reach Chamber members. This is an excellent venue if you are looking to reach other members who are actively seeking community engagement opportunities, and people who may be new to the market.

**SPONSORSHIP OPPORTUNITIES** Event Sponsor: \$2,500 (1 available)

Refreshment Sponsor: \$2,000 (1 available)
