

TLC 2019

Celebrate the history and promote the future of Tinker Air Force Base in Oklahoma City

DESCRIPTION Tinker Leadership Community provides a forum for civilian and military leaders to strengthen economic, political and community relationships. TLC members work to promote the retention and growth of Tinker Air Force Base. The program is an outgrowth of the long history that the Chamber and the region have in supporting and appreciating the services this base provides to our nation's security and our community. Each TLC member receives a complimentary ticket to the State of the Aerospace Defense Industry event in the fall, along with invitations to lunch briefings at Tinker and special events and receptions.

WHO ATTENDS Each meeting is attended by 75-100 business and military leaders. Sponsorship of these meetings demonstrates your company's commitment to Tinker Air Force Base and its importance to our community.

DATE Calendar year 2019
